

Community Health Worker Training *CHAMP Spanish*

Who Should Attend:

- ✓ Current Certified Application Assistors (CAA)
- ✓ Outreach Workers, Promotoras, and Community Health Workers from Commission Funded Hospitals, Schools and Clinics interested in learning more about health programs available and/or becoming a Certified Applicant Assistant

Training Presenter:

The National Health Foundation

Training Topic:

Children's Health Access & Medical Program (CHAMP) – Spanish, 4 hours

Target Audience: Spanish speaking Individuals who assist uninsured families with enrolling their children into health coverage programs, who make referrals to other agencies and CAAs who need a refresher.

Description: This session provides program information, eligibility requirements, and concepts needed for eligibility screening for children's health programs. Participants will learn how to screen families for appropriate health coverage programs and assist with the application process. **Note:** This is a prerequisite for those interested in becoming a CAA.

How To Register:

Please fax the following page at least one week in advance of training date to (714) 704-8220
Attn: Laura Arévalo, to register.

Space is limited. If you need to cancel please call as enrollment is limited and there may be a waiting list.
