

Money Managing in Challenging Times

PRESENTED BY:

CONNECT: Partnership for Nonprofit Solutions

Workshop Description:

The current financial environment can pose some of the greatest challenges facing nonprofit organizations today. This workshop will focus on budgets, financial reporting and cash flow projecting – helping you get a handle on just where you are and where you are going financially. We will also address strategies boards and managers can do right now to prepare for *this* economy and how to manage these challenges to make it through.

Join us to learn more on the following topics:

- Budgeting: Learn different methods, including zero based budgeting
- Balancing Revenues and Expenses: Explore whether cutting expenses might end up hurting revenue
- Cash Flow Projections: Understand how to help your organization plan and monitor the cash situation
